Changes in Accounting Policies including initial Adoption

On January 1, 2007, the Company adopted CICA accounting Handbook section 3855, Financial Instruments – Recognition and Measurement, section 3861, Financial Instruments – Disclosure and Presentation, section 1530, Comprehensive Income, and section 3251, Equity.

(i) Effective January 1, 2008, the Company adopted the recommendations of The Canadian Institute of Chartered Accountants' ("CICA") Handbook Section 1535, Capital Disclosures ("Section 1535"). The new standard requires an entity to disclose information to enable users of its financial statements to evaluate the entity's objectives, policies and processes for managing capital. Disclosure requirements pertaining to Section 1535 are contained in Note 8 of the unaudited financial statements for the period ending March 31, 2008.

(ii) Effective January 1, 2008, the Company adopted the recommendations of CICA Handbook Section 3862, Financial Instruments - Disclosures ("Section 3862"). Section 3862 provides standards for disclosures about financial instruments, including disclosures about fair value and the credit, liquidity and market risks associated with the financial instruments. Disclosure requirements pertaining to Section 3862 are contained in Note 9 of the unaudited financial statements for the period ending March 31, 2008.

(iii) Effective January 1, 2008, the Company adopted the recommendations of CICA Handbook Section 3863, Financial Instruments - Presentation ("Section 3863"). Section 3863 provides standards for presentation of financial instruments and non-financial derivatives. Adoption of this standard had no impact on the Company's financial instrument related presentation disclosures.

(iv) Effective January 1, 2008, the Company adopted the recommendations of CICA Handbook Section 1400, General Standards of Financial Statement Presentation, to change the guidance related to management's responsibility to assess the ability of the entity to continue as a going concern. Management is required to make an assessment of an entity's ability to continue as a going concern and should take into account all available information about the future, which is at least, but is not limited to, 12 months from the balance sheet dates. Disclosure is required of material uncertainties related to events or conditions that may cast significant doubt upon the entity's ability to continue as a going concern.

Financial Instruments and Other Instruments

BRCC's financial instruments consist of cash, amounts receivables, and accounts payable and accrued liabilities.

Management does not believe these financial instruments expose BRCC to any significant interest, currency or credit risks arising from these financial instruments. The fair market values of cash and cash equivalents, accounts and other receivables, deferred costs, accounts payable and accrued liabilities approximate their carrying values.

Business Risks

The Company was only recently incorporated and has no active business or assets other than cash. It does not have a history of earnings, nor has it paid any dividends and will not generate earnings or pay dividends until at least after the Completion of the Proposed Qualifying Transaction and may never pay dividends. The directors and officers of the Company will only devote part of their time and attention to the affairs of the Company and there are potential conflicts of interests to which some of the directors and officers of the Company will be subject in connection with the operations of the Company.

Subsequent Event

There were no subsequent events for the period.

Disclosure Controls and Procedures

Disclosure controls and procedures are designed to provide reasonable assurance that all relevant information is gathered and reported to senior management, including the CEO and CFO, on a timely basis so that appropriate decisions can be made regarding public disclosure.

BRCC's Management conducted an evaluation of the effectiveness of the design and operation of our disclosure controls and procedures as of March 31, 2008. Based on this evaluation, the CEO and CFO have concluded that our disclosure controls and procedures, as defined in Multilateral Instrument 52-109, Certification of Disclosure in Issuers' Annual and Interim filings, are effective to ensure that information required to be disclosed in reports that we file or submit under Canadian securities legislation is recorded, processed, summarized and reported within the time periods specified in those rules and forms.
